WELCOME

WELCOME TO LANDMARK! We are so very glad you are here! I heard the story told of a man who is a marathon runner. He was running in a race a few years ago that he knew would be grueling, especially towards the end. He knew at the end of the races how people shout your name and offer encouragement. For this reason, he decided that instead of using his name he would put the name "Christian" on his racing bib instead. He knew that when he got to that final mile, and all the people would be cheering, they wouldn't call out his name, but instead would say "Go get 'em, Christian!" or "You can do it, Christian!" or "Keep going, Christian! You're almost finished!" He ran to represent the name of Christ that mattered more than even his very own name. Applause comes and goes, but honor remains. As we each run our race, may we bring honor to Jesus Christ each step along the way.

THANKS

Lisa and I are so very thankful to each of you who not only helped with our move, but who also helped with the build of our new home. We are so very grateful for each of you and the time spent to help us have our beautiful new home!

NEW SERMON SERIES

Hey Landmark! This morning begins our new sermon series entitled, "Honor: Giving Honor Where Honor Is Due." In a world that continuously propagates self-promotion, join us each week in May as we see the beauty and blessing in honoring Christ and others.
